

Logeeshwari R

Software Engineer — Data Analyst

Coimbatore, India

logeeshwarirameshbabu@gmail.com · +91 6380304282 · GitHub · LinkedIn

SUMMARY

Software Engineer with strong skills in SQL, Python, and data-driven system development. Experienced in building analytics platforms and backend-integrated applications using REST APIs and structured databases. Able to design efficient data workflows and translate real-world problems into scalable technical solutions.

TECHNICAL SKILLS

- **Programming:** Python, Java, SQL
- **Core Concepts:** Data Structures & Algorithms, OOP, Time & Space Complexity
- **Backend & Systems:** REST APIs, ETL Pipelines, Data Workflows, Basic System Design
- **Databases:** MySQL, Query Optimization, Joins, Indexing
- **Data & BI:** Power BI, DAX, Data Modeling
- **Tools:** Git, GitHub, VS Code, Power BI Service

PROJECTS

- **Madurai Seva – Citizen Service Platform** GitHub
Android, Python, MySQL, REST APIs
Built a mobile application to improve access to government services. Designed backend-integrated workflows using APIs and structured data storage. Implemented multilingual support and optimized performance for low-connectivity users.
- **Institution-Level Student Performance Analytics Dashboard**
Power BI, SQL, Excel, Python
Designed an end-to-end data processing system for academic and attendance data. Built optimized SQL queries to identify performance trends and at-risk students. Developed data workflows and dashboards for decision-making.
- **Movie Recommendation System**
Python, Pandas, NumPy, scikit-learn
Developed a movie recommendation system using Python and scikit-learn, performing data validation, preprocessing, and reporting, and published the project on GitHub.

EXPERIENCE

- **Data Analyst Intern — Cloud Institution, Bangalore** 2025
Built and deployed KPI dashboards used by multiple teams. Automated reporting workflows reducing manual effort by 40%. Designed data pipelines and supported business decision-making.
- **Web Developer Intern — DCE Technology** 2024
Developed responsive web applications using HTML, CSS, and JavaScript. Assisted in frontend-backend integration and improved UI performance.

EDUCATION

- **B.Tech in Information Technology** 2022 – 2025
Thiagarajar College of Engineering, Madurai
- **Diploma in Computer Engineering** 2019 – 2022
VSVN Polytechnic College

CERTIFICATIONS

- Oracle SQL Certification
- Power BI Data Modelling
- Java Programming Fundamentals
- Android Application Development
